

FPN Statewide Summit on Philanthropy

February 1-3, 2023
JW Marriott Orlando Bonnet Creek Resort

"It is said that a rising tide lifts all boats..."

As grantmakers, how can we ensure that the ripple effects of the times we currently navigate do not cause the communities we serve to be swept away?

At the FPN Summit, we will gather to learn and explore how to improve the lives of Floridians most vulnerable to the impact of economic realities, policies that harm, and environments under attack. By remaining open to exploration and discovery, we can fuel new ways to engage with our partners and work more collaboratively across the state to elevate the voices of those we serve. Nimblely adapting to change - both within the philanthropic sector and beyond - will be essential as we tackle the challenges faced in our state. Through reflection on where we have been and what is possible, along with a willingness to take risks and work together, we can overcome any obstacle.

As the only gathering of its kind in the state, we hope you can join us February 1st-3rd, 2023 at the JW Marriott Bonnet Creek Orlando, to learn, network, collaborate and grow to continue to build a better Florida for all.

Targeted Exposure

Gain targeted exposure and showcase the value of your organization and/or services to key leaders in Florida grantmaking organizations through Summit promotions. Increase brand recognition through Summit communications before, during and after the event.

Invest in Florida

Your investment in Florida's philanthropic community provides opportunities for important training and conversations to uplift Florida's philanthropic sector. You may also opt to support Florida philanthropy through specific underwriting opportunities.

Demonstrate Leadership

Your Summit sponsorship allows you to be part of a select group of state leaders who believe in working together to ensure the best possible quality of life for all Floridians. Take advantage of networking and exhibitor opportunities to connect with participants at the Summit.

Who attends the Summit?

More than 250 professionals from the charitable sector are expected to attend FPN's 2022 Statewide Summit on Philanthropy. More than 90% of participants are from grantmaking organizations, including CEOs, board members and staffs of private independent and family foundations, community foundations, public charity grantmakers and corporate foundations/giving programs from throughout Florida. Top government, nonprofit, business and academic leaders from Florida are also represented.
