TableTalk: Central Florida Foundation's Civic Conversations and Action Strategy

Thursday March 14
12-1 pm ET

Central Florida Foundation, the region's community foundation, launched TableTalk in 2019 to give everyone in the region a voice in how our community operates today, and how it could evolve tomorrow. This FCA webinar will review the TableTalk results to date, some examples of TableTalk micro-grants, and their connection to the region's civic health. These have been solutions-based, data-driven conversations with community leaders that provide a way for Central Florida residents be more civically engaged and committed to the civic health of communities.

Moderator:
Bob Jones,
FCA Board

Presenters:

Sandi Vidal, Vice
President of
Community Strategies
and Initiatives

*Other Presenters to be
Announced*
